DBE Program Goal Approval
Federal Transit Administration ID #1089

Dear Ms. Lewis,

Based upon our review, we find that all of the required elements are present and that that your program meets the requirements of part 26. You are not required to submit regular updates to your DBE program as long as you remain in compliance; you are required to notify FTA of any significant changes to the program.

In assessing the program, we examined the overall goal submitted for FY 2011.

Your DBE goal information for the period of August 1, 2012 through August 1, 2014 is as follows:

Overall Goal	Race Neutral	Race Conscious
21.5%	20.5%	1%

FTA's review considered the overall goal as well as the description of the data and methodology used in arriving at the overall goal, including the base figure

calculation and evidence supporting the calculation; adjustments, if any, made to the base figure and the evidence supporting the adjustments; a summary of the relevant evidence in your jurisdiction; the projection of the proportion of your overall goal that you will meet through race neutral as opposed to race conscious means and the basis of your projections; and the evidence of public participation in setting your overall goal.

After reviewing this information, we have determined that the goal setting methodology you used is consistent with the requirements of 49 CFR §26.45 and that you have followed the requirements for public participation in setting your overall goal consistent with 49 CFR §26.45(g). Further, we have also reviewed your projection of the portion of your overall goal that you expect to meet through race neutral and race conscious means. That projection is subject to modification during the fiscal year as provided in 49 CFR §26.51.

Since an annual review of your goal is required, if you haven't already done so, please submit an updated goal as soon as possible. As you are aware, you must submit a separate overall DBE goal for programs funded by the Federal Highway Administration and the Federal Aviation Administration.

If you have any questions or need assistance, please contact me at 404-865-5471 or contact me via e-mail Jimmy.Moore@dot.gov.

Sincerely,
